**Web:** www.nobelyayin.com - www.nobelkitap.com

**ISBN Pub. No:** 978-605-133

**About:** NOBEL Akademik Yayıncılık is a publication company based in Ankara-Turkey. Its roots go back to "Atlas Kitabevi" and "Nobel Yayıncılık", a publication and distribution company. Both were founded by Nevzat ARGUN in 1984 and 1997, respectively. Publication and distribution functions were separated in 2011. Since then NOBEL Akademik Yayıncılık has only been publishing academic books. Nobel's publications are available at books stores around Turkey, and online book purchasing is possible at www.nobelkitap.com. Nobel has published over 2000 titles to date. Most of the titles are original textbooks written by Turkish professors. However, especially in the last five years the number of translations has gone up considerably. About 60 translated titles were published in 2012. Currently we are working on about 150 translation titles.

**Field of Activity:** Most of the titles published by Nobel Akademik Yayıncılık are academic books in the areas of education, psychology, economics, business administration, communication, international relationships, science, mathematics, engineering, physical education and sports.

**Contact:** Director: Nevzat ARGUN
